

Weir Farm National Historic Site

## Working with Connecticut

### By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

2 national parks

19,313 visitors to national parks (in 2010)

\$1,130,000 economic benefit from national park tourism (in 2009)

1,552 National Register of Historic Places listings

\$545,350,273 of historic rehabilitation projects stimulated by tax incentives (since 1995)

5,442 hours donated by volunteers (in 2010)

2 National Heritage Areas

8 National Natural Landmarks

60 National Historic Landmarks

\$63,407,882 in Land & Water Conservation Fund grants (since 1965)

297 federal acres transferred for local parks and recreation (since 1948)

\$24,951,043 in historic preservation grants

39 community conservation and recreation projects (since 1987)

637 historic places documented by the National Park Service

214,196 objects in national park museum collections

10 archeological sites in national parks

43 Certified Local Governments

3 Teaching with Historic Places lesson plans

3 Discover Our Shared Heritage travel itineraries

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
